A MESSAGE FROM MR FARRAR

Another busy and productive week has flown by at school. It was a pleasure to announce our new School Council representatives, who have been proudly wearing their badges around school. We also held our first School Council meeting, where pupils showed great enthusiasm and shared lots of ideas for improving our school. They are now canvassing their classmates for suggestions, including ideas for our weekly '**Spin the Wheel**' attendance prizes. It's fantastic to see our children embracing leadership opportunities and having a real voice in school life.

A great start in Early Years!

Early Years Fun on the New Climbing Bars

Our Early Years children have been having great fun exploring the new blue climbing bars that were installed following the loss of our much-loved tree. As they play, they are also developing important physical skills, including shoulder strength and core stability, which provide essential foundations for handwriting and fine motor development.

The children have been challenging themselves in lots of different ways, from lifting their feet off the ground and twirling around the bars to confidently hanging upside down! It has been wonderful to watch their confidence, strength and coordination grow as they explore, play and take on new challenges.
